

## Sponsorship for students (GRANT)

---

At the initiative of the company's management, in the 2016 - 2017 school year, 5 out of 18 motivated students from the universities of Fergana, who are in a difficult financial situation, were provided with sponsorship. The main criteria for selection was the students' scores, their attitude to study and participation in public events. The selected students were allocated funds to pay for educational contracts, in the amount of **34 450 000** sums.
