

Sponsorship for students (GRANT)

According to the annual project to provide sponsored assistance to gifted students from the Fergana Universities with a difficult financial situation, annual amounts of training contracts are paid in the form of a grant from the Company.

At the initiative of the company's management, in the 2018-2019 school year, 5 out of 21 motivated students from the universities of Fergana, who are in a difficult financial situation, were provided with sponsorship.

The main criteria for selection was the students' scores, their attitude to study and participation in public events.

The selected students were allocated funds to pay for educational contracts, in the amount of 41 836 100 soums.
