

TOUR TO UZBEKISTAN

Every year, the management of Daewoo Textile encourages the best employees for their work and a great contribution to the development of the Company. In the current year, the best 13 specialists received a permit to tour Uzbekistan from the President of the Company. The program of the week trip (July 13, 2018 - July 20, 2018) included visits to historical monuments and interesting places in the cities of

Bukhara, Samarkand, Chimgan, Charvak reservoir, Tashkent, Kokand, Rishtan, Fergana and Margilan. The trip was organized by one of the best travel agencies "ANUR TOUR". The tour began from Bukhara city. In the historical Bukhara city of, our workers visited all the famous sights of the city, got acquainted with the culture and traditions of Bukharans, went through countless souvenir shops and saw the work of artisans. Also, during visit to Bukhara, our employees visited the company "Daewoo Textile", got acquainted with the production of yarn, the work of the departments of the Company's office.

After Bukhara, the tour continued in the city of Samarkand. In Samarkand, accompanied by an experienced guide, the workers visited the world-famous monuments of medrese history, mausoleums, tombs of ancient rulers, familiarized themselves with the development of art and science of the peoples of Central Asia, and visited the place of entombment of the first President of the Republic of Uzbekistan, Islam

Abduganievich Karimov. Workers visited Chimgan and Charvak reservoir where are situated in a few kilometers from Tashkent.

Chimgan is one of the most unique and beautiful parts of Uzbekistan, and on the shores of the Charvak reservoir there are numerous boarding houses, recreation areas and children's summer sports camps.

Excursion around Tashkent: Amir Temur Square, the Theater Square of the Opera and Ballet. Navoi, the Museum of Applied Arts, Independence Square and the Monument of Courage - a monument to the victims of the 1966 earthquake; In the old part of the city visit the Abulkasym madrasah and Alisher Navai National Park, as well as the Religious Center of Tashkent - Hasti Imam Complex.

Excursion around Kokand: Khudayar Khan's 19th century palace, Jami mosque, Norbut-biya madrassah, Modari Khan's mausoleum is a tomb for all women of Khan's clan. The excursion was continued in Rishtan - the city, which from ancient times was famous for its ceramics.

Arriving in Fergana, the employees visited the company "Daewoo Textile", got acquainted with the production of yarn, the work of the departments of the Company's

office. Then walk around the local market in Margilan and visit the silk factory "Yodgorlik" where you can see the process of silk fabrics production with traditional "Ikat" patterns.

All participants of the trip expressed gratitude to the management of the Company for the organized trip and the opportunity to visit the great cities of Uzbekistan, to learn the history of the Motherland.

The management, for its part, is striving to develop a program to encourage the best workers of their homes for high performance.
